

ISA MIDLANDS HOCKEY CHAMPIONSHIPS

On Wednesday 23rd November Bedstone College's Hockey U15 & U13 XI travelled to Cannock Hockey Club to take part in the ISA Midland Championships.

It was the first time the College had entered the tournament and our goal was to come away having gained experience, in which to build on for the future. Each match was 10 minutes each way and played as a round robin.

The U13s performed exceptionally well and showed improvements match after match. One game the girls went goal crazy with 7 being scored and none conceded. They eventually finished runners up in the Championships only losing out on goal differences. Amazing performance girls, Well Done!

The U15s entered the tournament slightly nervous as we were missing a few players. Yet the girls played brilliantly. We won every match and conceded no goals, a fantastic achievement and excellent work by Laura Wilson! The pressure was on, if we won our last game against Dixie Grammar we would be crowned Midland Championships- the girls pulled together and won 2-0.

Results for the U15s XI were:

Bedstone v Lucton WON 2-0

Bedstone v Bowbrook WON 1-0

Bedstone v Chase Academy WON 1-0

Bedstone v Dixie Grammar WON 2-1

I am very proud of all the girls who travelled to Cannock. You displayed true sportsmanship and your playing just got better every game. Well done girlies! Congratulations.

I wish to thank Mrs Chamberlain for travelling with the team and all the coaching she gave during the matches.
