

School Disco Rocks!

It was yet another successful Christmas Disco to end the term at Bedstone on Saturday evening. The hall was all decked out with snowflakes which certainly reminded us that the festive season was upon us. Many of the Prep School scholars danced the night away while the highlight for the boys was sliding across the floor. They also made a great effort to dress in the Christmas theme and they looked fantastic dressed with tinsel and Christmas hats.

Later in the evening the dance floor was opened up to the senior scholars and Tim Murray and Archie Taylor showed off their moves. There was a good variety of music and everybody showed great coordination in doing the 'Macarena'. A huge thank you to the Catering Staff for the lovely food and Miss Bullock for arranging a fantastic evening.
