Yvonne Thomas

I have spent most of my life in Herefordshire. After completing a degree in Applied Biology and a short spell in agricultural research I returned to the county, married a local farmer and took an active role in our rapidly expanding agricultural business. I have four children, all of whom were educated at Bedstone College.

I joined the Governing Body in 2004 and I am very pleased to be associated with this happy school, in which young people are encouraged to develop to their own strengths and potential. Bedstone produces confident, well-mannered and wholly engaging young men and women, well equipped to face the future.
