

Junior School Newsletter

I hope you all had an enjoyable and restful summer break and are looking forward to the new school year. This is the first of this term's newsletters which we hope will keep you informed about events that are planned or to tell you how they went!

Healthy Schools' Program - We will continue to promote exercise and healthy eating during the school day, therefore, children in J2 - 4 may bring a healthy snack for break time—with Fridays being the exception if desired.

Punctuality - The children may enter the school from **8:15am**. Please note that before this time children may not be supervised.

School Uniform - The children have made a very good start to the new academic year and look incredibly smart. Please ensure that jewellery is not worn, the only exception being stud earrings.

A really big plea to label ALL your children's clothes, thank you!

We still have some lost property from last term - it will be on display in the hallway in the Junior School for this week and next then any items remaining will be taken to the charity shop.

ParentMail/ Contact details - Please remember to inform the school office if you change your email or telephone number. It is vital that we have up-to-date details.

Please can all children bring their PE kit in at the beginning of each week - it will be sent home on a Friday for washing, although as this term involves both Rugby/football and cross-country, it may be necessary to send it home more often!

Mouth guards and shin pads – Please It is essential that all children have these vital pieces of equipment in order to be able to take part in the games programme this term.

Dates for your Diary

Thurs 13th September Swimming Gala v Bucknell (H) 2pm start

Thurs 20th November Boys Football and Girls Hockey v Moreton Hall (Home) 2.30pm Start

PLEASE NOTE: Swimming lessons at Knighton swimming pool start on Wed 7th November 2018. Parents are welcome to pick up from Knighton at 3.30pm if you so wish. Students who remain will be taken back to school. Buses as normal

Times Tables - All children will be bringing home a times table book to help them learn their allotted times table. Although there are six sections most will need to practice further on scrap paper to fully consolidate their learning.

Mathletics homework will also be set each week and children will need access to a computer at home. The site is fully secure and your child's User Name and Password is in their learning diary.

Please note that there will be a beginner recorder group lesson available which will be run during a lunch time by Mrs Norton. Cost is £2 a week. Please inform your child's form teacher if you would like your child to take part.

Our wonderful Junior School Pupils - Day 1
