WEEKEND ACTIVITY PROGRAMME Spring Term 2019

There are always a few impromptu activities during the term which are weather dependent, such as swimming. Please either return this form or alternately complete the online Google Form on the college website by **Monday 7 January 2019** as certain activities require knowledge of numbers as well as your permission.

Please note that all costs are estimated as they may depend on numbers.

Activities signed for and then not attended, may still be charged to your son/daughter.
