

BEDSTONE
www.bedstone.org

A very warm welcome back to all our pupils and families. We trust you had a wonderful Christmas and are all excited for 2020! We certainly have another very busy term ahead with lots to pack into the curriculum. We also welcome two new pupils to the Junior School this term and hope they will have a long and happy partnership with Bedstone College.

A huge congratulations to all our pupils who took part in the **Primary Mathematics Challenge** at the end of last term. Successes all round to those that competed with special mention to Lewis Goodfield who achieved a **Gold** and Reggie Gamble and Haydn Osborne-Brookes achieving **Silver**.

New topics this term will be published on our Curriculum Framework to follow. Could we please ask that children are prepared on Tuesday for lessons with all necessary equipment. Also, we are excited to offer new free after school clubs this half term to facilitate our **'wrap-around care provision'** so do take a look at what is on offer.

This term, we are excited to offer **swimming** at Knighton to all of our pupils in the Junior School so please ensure Bedstone swimming kits are brought in on Tuesday ready for swimming on Wednesday morning. Full Bedstone sports kit is also required from Tuesday, named please.

Along with the abundance of sport being offered, please keep the date in your diary for **Tuesday 14th January** when Bedstone proudly hosts the annual Primary Schools' Cross-country competition for local Shropshire schools.

Practising will start immediately this term, so spare trainers are required. Further details to follow from Miss Ross.

Due to the Gifted and Talented sport we offer, some of our Junior School children represent the Senior School in events during the term so please do keep an eye on the Weekly Bulletin sent to see if this applies to your child. Information is provided to the relevant children from the Senior School P.E. department so pupils know what they are participating in.

Please feel free to contact us if you have any questions over the coming weeks and do keep a look out on Facebook for any photos regarding events this term.

Thank you from the Junior School staff
