Bedstone College Scholarships

At Bedstone we are proud of the achievements of each and every one of our young people. They are dynamic, enthusiastic and caring individuals who have a genuine affection for the College and its fully inclusive ethos. We are a non-selective school and we cherish our tradition of educating children from across the whole social spectrum. To underscore this commitment our scholarships are not awarded for just academic excellence.

We now offer scholarships in a greater number of specialisms, including Sport, Music, Art, Design Technology and 'All Rounder', plus of course, Academic. For younger students not quite reaching the demanding standards of full scholarships, we offer smaller "Development" scholarships. The amount of the award varies but could be worth up to a maximum of 25% of published school fees.

In addition to these awards we introduced a small number of 'Four Counties Scholarships'. These are focused on the same areas of specialism as other scholarships but, for children who currently attend a maintained school and live within one of the four counties of Shropshire, Powys, Herefordshire and Worcestershire. The "Four Counties Scholarships" are reflected as a small supplement to normal scholarship.

Scholarships are available for entry into Years 3-6, 7, 9, 10 and 12. Please contact us at admissions@bedstone.org for more details.

Our scholarships are designed to attract talented young people who might not otherwise consider Bedstone as a realistic choice for their education but who would certainly benefit from what we have to offer.

Scholarship selection typically takes place early in the Spring Term each year, with a second day early in the Summer Term for later applications. Under exceptional circumstances we will consider applicants at other times (at the Head's discretion). There is no predetermined number of awards available; rather they are made according to the quality of candidates. All scholarships are open equally to Boarding and Day students. Candidates already studying at Bedstone College can apply however anyone already in independent education – including at Bedstone – is not eligible for a Four Counties Scholarship.

The College is able to provide bursaries as well as scholarships for exceptional students where finances may otherwise preclude attending Bedstone. Please indicate on your scholarship application form if you are in need of a bursary-assisted place. Upon the results of the scholarship selection process you may then be invited to complete a financial circumstances form. Scholarships cannot be used to top up existing awards or bursaries. Please feel free to discuss any queries with our admissions team.

The Expectations of Scholarship Recipients

All scholarships are reviewed annually. All scholarship holders must meet the following expectations if they are to continue to receive the award:

- a) Their behaviour must be good and set a positive example to the rest of the College; in particular those younger than themselves.
- b) They must work hard on their academic courses and ensure that their level of effort is at least satisfactory in all subject areas (additional requirements are in place for academic scholarship holders).
- c) They must exhibit leadership qualities that are wholly positive and that will mark them out as possible College Prefects in the future.
- d) Must keep the amount of their scholarship confidential and not discuss it with other pupils, friends or people outside of their immediate family.

Academic Scholars

- Must adhere to the general expectations above.
- Must work hard on their academic courses and ensure that they achieve a level of attainment that places them in approximately the top 20% of their year group, as determined by the Director of Studies.
- Must ensure that their level of effort is at 2 or better in at least 70% of their subject areas.

Sports Scholars

- must adhere to the general expectations above.
- must show a high level of commitment and leadership in their chosen sport.
- must represent the College team when selected and place the College team before any other commitments. (Exceptions will be made for commitments which involve selection for county, regional or national teams).

Music Scholars

- must adhere to the general expectations above.
- must show a high level of commitment and leadership within the music department.
- must progress their musical talent through the ABRSM, (or equivalent), grading system.
- must take part in College Music events when requested and these must take precedence over any other commitments. (Exceptions will be made for musical commitments which involve playing in county, regional or national ensembles).
- are required to take GCSE and A Level Music as long as it is offered by the College.

DT and Art Scholars

- must adhere to the general expectations above.
- are required to take GCSE and A Level DT or Art as appropriate as long as they are offered by the College.
- must show a high level of commitment and leadership within the department.
- Must play an ambassadorial role, promoting their subject to prospective families.
- Should be working at the top level in their year group.
