* The Bedstone Certificate

This is our newest qualification, involving a range of tasks to be completed before you leave the school. It's a great way to get involved in the local community and improve your understanding and organisation skills. The qualification involves the following challenges and tasks:

- Complete the three Welsh Peaks
- Complete a Local History project on Castles – The Normans created a buffer zone between England and Wales, what part did Wigmore, Hopton and Stokesay castle have on the defence of the realm?
- Represent the College at a sport of your choice
- Raise money for a chosen Charity
- Do some volunteer work (10 hours)
