

BEDSTONE

## **Teacher of Design & Technology**

(Full time/part time negotiable)

**REQUIRED FOR SEPTEMBER 2023**

We are looking for a DT teacher with the knowledge and enthusiasm to give our pupils the education they demand and deserve. You will teach up to GCSE and will inspire the children to do the best they can in the subject, using your experience of different learning techniques and use of new technology. Our spacious workshops include CAD, woodworking and metal working facilities including lathe and welding, vacuum former, router, laser cutter, 3D printer. The workshops have computers with current software loaded. ECTs are welcome to apply. There may be the option of A level teaching for an experienced applicant.

This is an exciting opportunity to work in a busy day and boarding school where you will be fully involved with co-curricular activities and the wider life of the school. Possibility of onsite accommodation along with boarding duties. Energy and a flexible approach to working hours are essential.

Bedstone has its own salary scale and the salary will be set according to qualifications and experience. There are also fee concessions with respect to staff children being educated at the College.

An application form and job description can be obtained from the Head's PA, ([pa@bedstone.org](mailto:pa@bedstone.org)) to whom completed applications should be returned by Monday 19<sup>th</sup> June, along with a letter of application of no more than 2 sides of A4. They are also available in the Academic Vacancies section of our website.

**Closing date:** 9am Monday 19<sup>th</sup> June

**Interviews:** w/c 26<sup>th</sup> June

*Bedstone College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All applicants must be willing to undergo child protection screening appropriate to the post.*
