

BEDSTONE

## Teacher in charge - Chemistry (full time)

**September 2023 or January 2024 start**

We have an opportunity for an enthusiastic and knowledgeable Chemistry teacher to lead the department within the Science team. Do you have the qualities we need to give the pupils the education they demand and deserve up to and including A level? You will be innovative in your teaching, ensuring the students develop the desire to do the best they can. You will have high expectations of yourself and the students with the proven ability to inspire and motivate everyone to achieve their best in your subject. The Chemistry department is well resourced with its own laboratory. Good results are achieved and it is a popular subject amongst our students with many going on to study it or associated subjects at university.

This is an exciting opportunity to work in a busy day and boarding school deep in the Shropshire countryside where you will be fully involved with co-curricular activities and the wider life of the school. Energy and a flexible approach to working hours are essential. Due to the rural area your own transport is essential.

Bedstone has its own salary scale and salary will be set according to qualifications and experience. There are also fee concessions with respect to staff children being educated at the College.

An application form and job description can be obtained from the Head's PA, ([pa@bedstone.org](mailto:pa@bedstone.org)) to whom completed applications should be returned by Monday 19<sup>th</sup> June along with a letter of application of no more than 2 sides of A4. They are also available in the Academic Vacancies section of our website [Vacancies: Academic - Bedstone College](#)

**Closing date for applications: Monday 19<sup>th</sup> June 9am**  
**Interviews: w/c 26<sup>th</sup> June**

*Bedstone College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All applicants must be willing to undergo child protection screening appropriate to the post.*
