

BEDSTONE

Teacher - Music

REQUIRED FOR SEPTEMBER 2024

We are seeking to appoint an inspirational, enthusiastic and committed teacher of Music to teach at all stages of the school. The post would be ideal for someone new to the profession looking to gain initial experience, key skills and knowledge in a small and supportive environment, or for an experienced teacher looking for a new role. We have a dedicated music learning environment which includes soundproof practice pods, recording equipment and Macs with composing software installed, along with a school web based radio station. We are looking for a subject specialist with high expectations and a passion for helping every student acquire a love of music and performance. The proficiency to teach across the ability range at key stages 3 and 4 is essential; experience teaching A-level Music (or willingness to learn) would be an advantage.

This is an exciting opportunity to work in a busy day and boarding school where you will have the opportunity to play a full and active role in the wider life of the school. There is the possibility of onsite accommodation.

Bedstone has its own salary scale and the salary will be set according to qualifications and experience. There are also fee concessions for staff children educated at the College.

An application form and job description can be obtained from Ms Christine Preston, PA to the Head, (pa@bedstone.org) to whom completed applications should be returned by Monday 13th May. They are also available in the Academic Vacancies section of our website [Vacancies: Academic - Bedstone College](#)
